

Pelts Paid for Theft.

A turkey which Edward Richardson had been fattening disappeared. Fox tracks led to a cave and Richardson set a charge of dynamite, which blew up the cave. In the ruins he found the carcasses of six foxes. Their pelts were worth \$60, far more than a turkey.—Brookfield Courier.

Paris Overwhelms Lexington.

With Applegate on the mound pitching an airtight game and the locals engaging in one of the fiercest slug-ging battles of the season, the Lexington Colts were overwhelmed with an avalanche of runs, the Bourbons winning by a score of 13 to 0.
Applegate pitched to his best form, allowing but four scattered hits and had the visitors completely at his mercy throughout the contest, which so far as the locals were concerned, was snappy and a splendid exhibition. During the nine sessions Applegate passed but one man and hit another, while his curves were complete puzzles to his opponents.
In the seventh inning Goodman hit the ball over the rightfield fence, while two of the bases were occupied. The locals pounded McNeal, the Lexington pitcher, to all corners of the lot, securing a total of seventeen hits which coupled with five errors on the part of the Colts, brought in the unusually large number of runs. The feature of the game was the fielding of Locke and Harrel, the pitching of Applegate and the batting of Mollenkamp, who in five trips to the plate secured four singles and one two-bagger.
The locals will journey to Lexington today for another tilt with their old-time rivals. Either Boniosh or Dunlap will be on the rubber in this contest.

FRIDAY, JULY 26.

The Pioneers fell onto the offerings of Chief Boniosh at Richmond, Friday afternoon, defeating Paris by a score of 12 to 3. A double-header was to have been played, but the second game was called in the fourth inning on account of the Bourbons having to catch a train, the score standing 2-2. Hanser and Robb were the opposing slappers. Knight was on the rubber for the Pioneers in the first game, which made his third victory since joining the Pioneers. Boniosh was touched for sixteen hits.

SATURDAY, JULY 27.

Paris took both games of the double-header from Richmond, Saturday afternoon, the first game resulting in a shut-out and the second going to the Bourbons by a score of 2 to 1. By agreement the contests were limited to seven innings to allow the visitors to catch a train.
Dunlap, erstwhile utility man, was on the rubber for Paris and in his first game he slants were a complete puzzle to the hard hitting Pioneers, who were unable to secure but two safe drives off his delivery.
Monroe, a recruit from the Mountain State League, pitched his first game for Paris and in the second contest held his opponents to one hit. The lone run scored by the Pioneers came in the third and was the result of a gift, a sacrifice and the only safe drive the Paris hurler allowed.

The Bourbons connected with both Cameron and Rabb without the least trouble and their fielding was a feature for the double bill, the aggregation going through both games without an error.
Mollenkamp was the star with the stick, getting four hits out of five trips to the plate, two of which were two-baggers. The fielding of Locke and Harrel was nothing short of sensational, the latter making a beautiful one-handed catch in the sixth inning of the last game, pulling down Baird's hard drive.

SUNDAY, JULY 28.

Paris and the Lawmakers came together in a double-header at White Park, Sunday afternoon, resulting in a split in the honors, Paris winning the first game by a score of 6 to 2, while the visitors overwhelmed them in the second contest, winning it as they pleased by a score of 17 to 7.
Hanser was on the rubber in the first game and pitched a superb game. He held the visitors safely throughout the contest. An error in the second inning was responsible for the two runs made by the visitors. The slants of Wright were to the liking of the locals, who pounded in each of their six runs.
The second game was a farcical exhibition. Nickell, a recruit from Morehead, who had a trial in the Mountain State League, essayed to pitch for Paris, but his first effort was rather weak and his offerings were slaughtered by the visitors. Error after error helped the visitors, and before the new hurler was yanked from the mound, and before the Lawmakers were retired a total of fourteen runs had gone over the pan. Locke was sent to the knob in the third inning to finish the contest, and checked the Lawmakers to some extent.
Giddo put one over the centerfield fence for a home run and Mollenkamp duplicated with two on in the fourth, Wright the Lawmakers' third sacker, White, hit the "Bull" Durham sign in centerfield, and his performance netted him \$50. This is the second time the sign has been hit in three years, Mollenkamp driving a ball against it about a week ago.

NOTES.

Following is the schedule for the week: Tuesday—Paris at Lexington. Wednesday—Maysville at Paris. Thursday—Maysville at Paris. Friday—Lexington at Paris. Saturday—Paris at Lexington. Sunday—Mt. Sterling at Paris.

The Cincinnati Post of Saturday contained the following:
"Dennis Hicks, former catcher of the Cincinnati team in the lamented U. S. League, said Friday that if a third league is started next year it probably will prosper.
"The time is ripe for it," said Hicks. "I've been talking to players in all parts of the country, and they will support a third league, provided, as in my case, and Hicks smiled sorrowfully, they are shown the coin in advance."
Hicks told Magistrate Moller that he had received only \$250 advance money

Progressives of Bourbon Organize.

The organization of the Progressives of Bourbon county was perfected Saturday at a meeting held at the court house, by the selection of A. W. Cottingham as Chairman and J. D. McClintock as Secretary.
The meeting was well attended, a good number of Progressive Republicans were present from all over the county in response to the call from district headquarters, and harmony prevailed throughout the session.
The selection of Mr. Cottingham as Chairman and Mr. McClintock as Secretary on temporary organization, was made practically without any opposition, and upon motion the temporary organization was made permanent.

Children Set Fire to Couch.

The fire department was called out Friday at noon to the residence of Mrs. Nettie Hibler on Eighth street to extinguish a fire which had originated in an unoccupied room. The room contained only a box couch and as several children were playing in this portion of the house it is supposed they lighted matches and applied the flame to the couch. Although blazing fiercely, the couch was carried from the house into the yard. The mantel and woodwork in the room were badly damaged but the fire was soon extinguished with a small loss.

Saturday Fire Damages Building

Saturday morning a fire, which originated from an explosion of a gasoline stove, in the flat occupied by John Cain over the store of W. T. Talbott, on Main street, completely gutted the second story of the building and greatly damaged the contents of the store beneath it.

The lives of the two children of Mr. Cain were endangered. While Mrs. Cain was in the yard drawing a bucket of water, the flames broke out and on her return she was unable to enter the room, which was dense with smoke. Her cries for help attracted Mr. Harry Baldwin, who went into the building, bringing out the children safely.
John Desn, local express agent, had his hand badly lacerated by a piece of glass while assisting the firemen.

An alarm from box 18 about 11:30 o'clock took the fire department to the building, and after a thorough investigation it was found a box of matches had in some manner become ignited, causing considerable smoke, occasioning the alarm. A short time after the firemen had returned to their quarters flames burst from the rear of the building and a second alarm brought them to the scene.
After a stubborn fight of an hour the fire was gotten under control, but not until the property had been considerably damaged. The building is owned by Mr. J. B. Nothcott, whose loss will exceed \$800, fully insured, while that of Mr. Talbott will be about \$500, covered by insurance. Mr. Cain lost all his household effects.

Mr. Talbott's loss was mostly by water and he will be compelled to move his store to the vacant room in the Kiehl building.
The clothing stock of Twin Bros., in the Schwartz building adjoining, was damaged by smoke to the extent of \$250.

from John J. Ryan, president of the old Cincinnati club. Hicks was to have been paid \$150 a month. He sued for \$90, salary from May 15 to June 3.

Hicks is catching for Paris in the Blue Grass League. Mollenkamp, first baseman, and Chapman, outfielder, who were on the Cincinnati team, are with Paris, and have braced up the team. Paris, which won the pennant in 1911, is almost at the bottom of the heap.
"This Hicks is a pretty good catcher. Folks who have seen him in action say he would make a good second string catcher for a big league club.
The cases of Hicks and nine other U. S. League players against Ryan were continued until Aug. 2."

DEATHS.**NEAL.**

—Mr. William Neal, aged forty-six years, died at his home on the Jacks-town pike, near this city, Saturday night about 9 o'clock. Mr. Neal had been in declining health for the last six months, and his death for the past two weeks has been momentarily expected. He was a sufferer from a complication of diseases, including Bright's disease and locomotor ataxia.

Mr. Neal had been actively engaged in farming before his more recent illness. He was born in Bourbon county, and was one of five sons of Mr. and Mrs. James Neal, who reside on Lilles-ton avenue, in this city. He is survived by his wife, who before her marriage was Miss Mamie Gallagher, and seven children, Misses Mattie, Minerva, Allene and Elizabeth, and Messrs. Raymond, Horace Miller and John Rice Neal. Two brothers, Messrs. Edward Neal, of Dallas, Texas, and John Neal, of Dallas, Texas, also survive.

The funeral services were held at the grave in the Paris cemetery yesterday afternoon at 3 o'clock, conducted by Rev. Dr. B. M. Shive.

RELIGIOUS.

—The Catholic church was crowded with communicants Sunday morning when a period of forty hours' devotion commenced. The altar was beautifully decorated for the occasion, and an interesting feature was a large procession of young girls dressed in white and carrying arm-bouquets of bright flowers. The Holy Sacrament was administered by Rev. Father O'Dwyer, who is being assisted by his brother, Father O'Dwyer, of Richmond, Father Faye, of Georgetown, and Father Hillenmeyer of Winchester.

Persons keeping such dogs must call at the post-office for their mail."
